

HARVEST AGAINST HUNGER EVENT SPONSORSHIP OCT. 19, 2024

Improving food security and fresh food access for individuals, families and food pantries through food growing.

HARVEST AGAINST HUNGER EVENT SPONSORSHIP OCT. 19, 2024

Fighting food insecurity from the ground up

Support **The GardenWorks Project's 7th annual Harvest Against Hunger fundraiser** and directly impact food security and fresh food access in Chicago's western suburbs. Your sponsorship provides fresh produce to families facing food insecurity and highlights your company's commitment to the community by:

- **Empowering individuals, families, and communities** to grow produce for themselves and their neighbors.
- **Supporting collaborations** between local growers, community organizations, and food pantries to expand access to nutritious foods.

As a sponsor, your brand will be prominently recognized amongst our network of community members and event attendees. Join us at Harvest Against Hunger for a casual evening of food, beverages, and music at the DuPage County Historical Museum. Sponsors are welcome to attend and connect with community members and organizations working together for a more food-secure future.
